

Agent Branton/Agent Cod Dialogue

So anyway, to make a long story short, we're having turkey for Christmas after all. "I was just trying to expand your taste buds," she tells me. "They don't need no expanding," I tell her. "Normal people don't eat goose." It's all that Julia Childs 'fault. She puts 'em up to it. What was wrong with American food? Noting, til she came along. You'd open a can of tuna, chop some onions and celery, add mayo, mix 'em all together and *voila! Haute cuisine*. I hate public television.

Agent Dollar Dialogue

You let him convince you he was someone else. Barry Allen from the Secret Service...Barry Allen? The Flash? Barry Allen is the alter ego of The Flash!! (*naively*) We all make mistakes sir, it happens to the best of us.
